

**TRAIL 4** – A short walk to visit the Fairy Falls on the River Crafnant.

From the car park opposite the Woollen Mill, turn right on the main road and go over the bridge. Turn left up the hill after the Café. At the end of the first building take the way-marked path to the left. Follow this alongside the river to the Fairy Falls, going under the high footbridge.

*The 'fairies' of the falls appear to have been a Victorian invention; a board alongside the waterfall explains the name and context further.*

To return, take the higher path to join the road down to the start. Distance: 1km / 0.6 miles
